

Hello, my name is Ms. Becky and I have been working with children since I was 13 years old. I have a Bachelor's of Education (Primary/Junior-2014) and am working towards my specialization in Special Education with a focus on Autism.

I also have my Montessori diploma from the North American Montessori Center which I put to good use in my Little Sprouts home child care.

Throughout my 8 years as a teacher, I have taught children aged 3-13 years and am now taking on Children aged 1yr + at my in-home child care.

In December 2020 I had my first son and have completely submerged myself in understanding childhood development from birth. I've loved my time with my son so much that I decided I wasn't ready to head back into the classroom just yet and have invited families from our community into my home for childcare.

Feel free to reach out with any inquiries for childcare, I look forward to hearing from you!

I provide healthy snacks and lunch.
