

Hi, my name is **Pam Gregory** and I am the proud owner/operator of **Whispering Oaks Learning Centre** located just outside Annapolis Royal in Lequille, NS.

I have been running my family home daycare for three years and am licensed through Family Matters Home Daycare Agency. I have two children of my own and have vast experience working with children in various settings.

I offer quality childcare to a small group of children who are well cared for in a fun, safe, educational play based environment promoting learning and growth.

I have a huge yard with a fenced in portion well off the road for loads of outdoor exploration and fun along with a wooded trail for nature walks. We enjoy circle time, arts and crafts, hands on learning, dance and tumble bugs, building and sensory play, science experiments, school readiness activities, and much more.

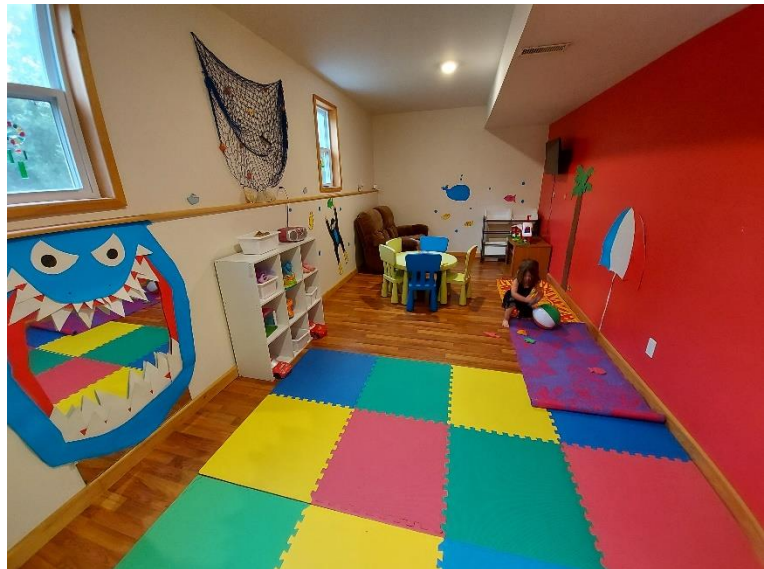

I offer full and part time spaces for infants (6+ months), toddlers and preschoolers.

I run a preschool program for children aged 3-5 providing educational opportunities to help them learn the core fundamentals while having fun in a small setting. I also run an after school program (when spaces are available) and am on the CES bus route.

We have renovated our home to provide a dedicated space designed specifically for the kids with its own private entrance separate from my living space. My home is pet friendly and smoke free. My First Aid, Child Abuse Registry Check, and Criminal Record Check are all up to date. Healthy snacks and lunches are provided following the Canada Food Guide.

If you are looking for reliable childcare and would like more information, please contact the Family matters Office at 902-584-2210 or Toll Free 1(800) 399-7199 fhdcfamilymatters@gmail.com for my contact info.
