

NOVA SCOTIA

## We're building a brighter future for children, and your input matters.

The Department of Education and Early Childhood Development is touring the province to talk to you, parents and primary caregivers. We're hosting a series of interactive conversations to hear from those who have children enrolled in early learning and child care or will in the future.

Conversations will be about early learning and child care for children aged 0-4 in child care centres and family homes, as well as children aged four to 12 in before and after school care.

### Virtual session for parents and primary caregivers of children with diverse needs - Monday, October 16

Visit [childcarenovascotia.ca/public-engagement](https://childcarenovascotia.ca/public-engagement) or scan the QR code for more information and to register beginning September 18 at 12 p.m. Session will be from 6-8 p.m.

#### If you can't make the session, you can still share online.
