

## We're building a brighter future for children, and your input matters.

The Department of Education and Early Childhood Development is touring the province to talk to you, parents and primary caregivers. We're hosting a series of interactive conversations to hear from those who have children enrolled in early learning and child care or will in the future.

Conversations will be about early learning and child care for children aged 0-4 in child care centres and family homes, as well as children aged four to 12 in before and after school care.

We're coming to:

**Bridgewater - Thursday, October 12**
