

Help for High Heating Bills

Free energy-efficient upgrades for homeowners.

For more than 15 years, Efficiency Nova Scotia's HomeWarming program has helped more than 20,000 Nova Scotia households reduce energy costs and feel more comfortable at home. This income-based program provides free, energy-efficient upgrades for eligible homeowners.

HomeWarming Helps with:

High heating bills

Drafts & cold rooms

Hard-to-heat homes

Do I Qualify for HomeWarming?

People in Home	Maximum Household Income
1 person	\$30,187
2-4 people	\$57,075
5 or more people	\$79,163

No Hassle With Contractors.

Eligible participants will receive a Home Assessment from an Efficiency Nova Scotia partner. Next, we'll arrange for an approved contractor to perform all home upgrades for you.

Have These Two Documents Ready
